BOOK SYNOPSIS

Angel Lady is Doreen Virtues autobiography of her life as a clairvoyant who has been visited by angels since early childhood. The book encompasses her dramatic beginnings with her mother, a professional spiritual healer who taught her daughter how to heal through affirmations, visualization, and prayer. Doreens story continues with the miracles that ensued in her life, and how her trusting and open heart attracted some loving?and some dysfunctional?relationships. Readers will learn about the true nature of spiritual healing alongside Doreen, with lessons from great teachers and life-changing experiences. Angel Lady is a compilation of Doreens autobiographical book series: The Lightworkers Way, Healing with the Fairies, Angel Medicine, and Goddesses & Angels.
