## **BOOK SYNOPSIS**

When a psychic tells Natalie Nixon her life is about to be upended by a mysterious stranger, she laughs it off. After all, she has everything shes ever wanted-a successful bakery, the perfect boyfriend, and the keys to her dream house. Who could possibly make her want to throw all that away? Then Miles Haas comes back to town. But hes no stranger-theyve known each other since high school. Plus, hes only around for the summer, hes still a shameless playboy, and he makes a living writing articles for a mens magazine with titles like Should You Bang the Bosss Daughter? A Flowchart and Butt Stuff for Beginners: A Field Guide. Hes not the man of her dreams, and shes not about to abandon everything shes worked so hard for just for a little fun. Except he makes her laugh like no one else, smells like heaven, and looks sexy as hell in those panty-melting glasses.\*\*SOME SORT OF CRAZY is a full-length standalone romance.\*\*
