BOOK SYNOPSIS

A revolutionary guide to Self-Health! Are you one of millions who fuel the billion dollar diet industry? Diet after diet...you've tried and yet have failed to achieve your long-term goals. You are not alone. The Pancreatic Oath is a revolutionary new book from registered nurse, licensed social worker and certified health counselor Candice Rosen that introduces the cutting-edge Pancreatic Nutritional Program (PNP). Simply, the PNP provides readers with an understanding of how their body processes the food they choose to eat, how it affects their pancreas, and the domino effect that poor choices have on their weight and their health. In this groundbreaking new book you will learn about: Pancreatic abuse-signs and causes The relationship between the pancreas, diabetes and other chronic health issues The ten essentials of the PNP How to test blood glucose levels and what they mean Sample meal choices and recipes From weight gain to diabetes to heart disease, what you eat and how that food affects the pancreas has a direct effect on your health. It can cause or prevent future disease. It can cause you to gain or lose weight. The Pancreatic Oath peels away the mystery that surrounds the functioning of the often overlooked, but terribly important gland called the pancreas. Live and eat not just for today. Eat for all the tomorrows! Candice Rosen, R.N., B.S., M.S.W., C.H.C. is the Founder, Executive Director and Principal Health Counselor of the Pancreatic Nutritional Program (PNP). Candice has spent her life's work focused on improving the wellness of both her clients and her community. Her experiences as a clinical therapist and as a nurse give her a unique perspective when it comes to nutrition counseling. As the Chair of Healthcare Initiatives for Chicago's Sister Cities International Program, she works to advocate preventative medicine, improve disability access, promote maternal and infant health, and bring awareness to the global obesity and diabetes epidemics. She and her husband are the parents of four children. Her counseling practice website is located at www.pnprogram.com.
