BOOK SYNOPSIS

"Several times in your life you will be put "on the spot" and asked one of THOSE QUESTIONS. They are those simple, innocently asked little questions girls ask boys, women ask men...which answers, although the female guarantees are "not important", if wrong, might possibly ignite the most miserable explosion of questions and attitude as only an upset female can unleash. These are the RIGHT ANSWERS and the RIGHT WAY to answer those questions!" A superb understanding of the female mind stated in a practical format. Outlined in chapters which are easy to find, read and understand. Not a book of advice, a culmination of 10 years of research with thousands of men and women. ANSWERS...A HANDBOOK FOR MEN clarifies what women do and do not want to hear. It boldly contradicts centuries of bad advice passed on for generations. * What you should never, ever discuss during or after sex. * When a woman says one thing and MEANS ANOTHER. * Safe ways for men to avoid the truth.
