BOOK SYNOPSIS

The English edition of U.S. Citizenship Test (English Edition) 100 Questions and Answers completes this popular series of multilingual citizenship books. Like the other books in the series, it includes: (1) All 100 official Civics questions and answers for the US Citizenship Test (2011-2012), (2) USCIS Official Reading and Writing Vocabulary Lists, (3) The 20 Questions for Permanent Residents over 65 years old, (4) Important contact information and websites for more help and, unique to this English edition only, (5) all 100 questions and answers in a flash card format for easy practice and review. As with the other books in this bilingual series (Spanish, Chinese, Tagalog, Vietnamese, Korean and multi-lingual), this is an excellent resource for anyone who want to learn more about the United States government, civics, history and culture, especially immigrants who are preparing for citizenship. English language learners will appreciate the clear organization and easy-to-read format. The civics questions will test your knowledge of U.S. history and government--and improve your English vocabulary--as you study for your test. Flashcards will help permanent residents who want to study independently. Together with other books in the series, "U.S. Citizenship Test (English Edition)" will also be useful in adult English-as-a-Second-Language (ESL/EFL) classrooms. Recommended for citizenship and civics libraries.
